

Visionary Technology Consultants

# CAPABILITY STATEMENT

## Core Services

- Full Stack Systems Integration
- Product OEM Resell
- Help Desk Support
- Consulting Residency of SME Resources
- Digital Automation and Transformation
- Cloud Consulting

## Past Performance

VTC

### DOJ & CBP

ICITAP: Provide Systems Integration, and implementation for allied foreign government law enforcement development programs with the mission to reduce threat of terrorism worldwide. We continue to build, digitize, automate, and implement by solving customer issues at first level contact.

### M.C. Housing Opportunities Commission

Data Automation: Introduced an automated workflow and document management system to support affordable housing services that enhance the lives of low-income families. The decrease in manual processing with less exchange and trade, creates an easier and quicker way to process documentation with lower error rates.

### HHS: AHRQ

Project Management through onsite deliverables to include Full Stack Developers, Data Architects, Technical PMs, Software Engineers, Systems Administrators, Cloud Architects, UA Designers, and Penetration Testers. Complete development of applications as they move from on-premise to cloud.

## Why choose us?

Value Driven | Innovative | Solutions

Visionary Technology Consultants (VTC) is a Minority and Service-Disabled Veteran Owned Small Business (SDVOSB). Since established in 2007, we have provided innovative technology management services to our partners in the government and commercial spheres, covering defense, health, education, and technology. Our proven solutions have enabled our customers to keep pace with the rapid evolutions in technology and maximize their people and product investments.
